HDLP50W151 - static.highspeedbackbone.net

All in all, I have mixed feelings about the RCA Scenium HDLP50W151. In the best circumstances, it can produce a bright, colorful image; if you need a set for a brightly lit room, or maybe even a sun porch, this one should be on your list. The basic design appears sound, but it would be vastly more appealing with better blacks, a more film ...
