National Board of Medical Examiners 3750 Market Street Philadelphia, PA 19104 Constructing Written Test Questions For the Basic and Clinical Sciences

To determine whether the examination items perform appropriately, the NBME needs at least 200–300 students from at least five schools to complete the examination. This will allow NBME to conduct key validation and process the examination form. Therefore, we are encouraging schools to consider administering the exam upon its availability.

4 NBME Welcomes Tom Rebbecchi 4 From the Public Stakeholders needed to answer them. The NBME is engaging in a renewal effort designed to start the process by studying what questions about health-care providers it needs to answer to There are four key components:

-The key to doing well on rotations is to study early with a decent resource (ask upperclassmen), and get through (aka do and thoroughly review) the UWorld questions and 4 NBME practice exams.-The review videos by Emma Ramahi/Onlinemeded are also clutch. Use them!-The surgery shelf draws on material from many different fields.

An answer sheet for recording answers for this practice is provided on page 46. An answer key is provided on page 47. In the actual examination, answers will be selected on the screen; no answer form will be provided.

examinees perceive the time pressure to be greater during an actual examination. An answer form for recording answers is provided on page 8. An answer key is provided on page 67. In the actual examination, answers will be selected on the screen; no answer form will be provided.

National Board of Medical Examiners 4/7 Therefore, the number of questions that you need to answer correctly While not all content areas are included in every form, overall content coverage is comparable in the various forms of CBSSA.
