review.

Project Gutenberg is a wonderful source of free ebooks – particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries.

RightsDirect explains the situation in more detail.

## **White Knight Chronicles**

### **Wiki Guide - IGN**

White Knight Chronicles is a role-playing video game presented in a third-

person perspective. The player can freely choose which character to control. Like in most other RPGs the characters gain experience points and level up, becoming stronger over the course of the game.
